OUR FOOD

With a reputation for fine food and friendly hospitality, The Duke Hotel offers a wonderful dining experience with a friendly and relaxed service. Meals are prepared using the best quality seasonal food, sourced as locally as possible.

Our "ethos" is around the concept of sustainability. We respect every ingredient in the kitchen and strive to use all parts of our food. Any food waste from the kitchen is then converted into compost and used to grow our own herbs and vegetables in the back garden. Our menu changes every three months according to what the season has to offer, but we tend to make a few changes from month to month according to what produce is seasonally available.

We proudly blend classical gastronomic techniques with elements of European & Asian cuisines.
